

## Personal Account Switch Kit

Welcome to Texan Bank! We have developed a 5-Step Switch Kit which will help you to seamlessly move from your current bank to Texan Bank. The step-by-step checklist will help simplify your transition while ensuring all of the necessary changes have been made.

**In order to change your accounts to Texan Bank, follow these 5 easy steps:**

- 1) Open your new Texan Bank account at one of our convenient locations.**  
Learn more about your account options by visiting our website at [www.texanbank.com](http://www.texanbank.com) or stop by one of our locations and a Personal Banker will assist you in determining the best account(s) and product(s) for you.
- If checks will be needed, provide a voided check from your current bank as well as contact within your organization.**  
We will ensure that you receive a comparable check style on your new account(s).
- 2) Discontinue using your current account(s).**  
In order to close your account(s), you will need to discontinue writing checks, initiating payments, and using your ATM/Debit Card. Once all items have cleared, you will be able to proceed with closing your account(s).
- 3) Establish or switch your Direct Deposit (s) to your new Texan Bank account.**  
Notify your current employer, or other sources that directly deposit funds into your old account, that you are switching your accounts to Texan Bank. To set up direct deposit, you will need:
- Your new Texan Bank account information including the routing number
  - The Direct Deposit Change Request Form
  - Your employer or institution's address and phone number
  - A voided check from your new Texan Bank account
- 4) Notify merchants/vendors currently deducting automatic payments or ACH credits/debits of your new Texan Bank account(s) information.**  
All merchants/vendors that are set-up for automatic payments such as recurring loan payments, internet service providers, health club memberships, etc. will need to be advised of the change.
- The following items may be needed:
- A current billing statement (which may be needed to obtain your account number and company information for the change)
  - Your new Texan Bank account information including the routing number
  - Complete the Authorization to Change Automatic Payments Form (this will be used for automatic payments/ACH's currently being debited from your account)
  - Current bank account statement (review statement for automatic payments or ACH credits/debits)
  - Complete the Automatic Payments Transfer Checklist (this will be used to collect the automatic payments or ACH credits/debits from your current bank account statement). The checklist can then be used to ensure that all automatic payments or ACH credits/debits are accounted for and changed.
- 5) Close the account at your previous bank.**  
Once your last check, automatic deposit/withdrawals, and automatic payments have cleared, you are ready to close your account(s) at your former bank. To instruct the bank to close your account, you will need:
- Your previous bank account and routing number
  - Your previous bank's address and phone number
  - Complete an Account Closing Request Form

**It's that EASY.** A Texan Bank Personal Banker can assist you through each step of the process!
